Great Masters of Indian Cinema

Simon and Schuster
It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the

brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an

unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes

who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have

turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered

Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

The traditional understanding of Shiva told through stories and teachings from the Shiva Mahapurana • Explains Shiva's contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee

• Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life • Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya
Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor,

ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana--said to be written by Shiva himself--Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as

well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such

as the Descent of the River Ganga and Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science

and their explanations for the origins of consciousness . Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva is the wielder of maya who does not fall under its spell. While Ganesha is

known as the remover of obstacles, Shiva is the remover of tears. Ain ul Faqr (The Soul of Faqr) Hemkunt Press 'It's time for you to know what I'd do if I could get close enough to you...' Although Rachel Jackson loves running her bookstore café, she doesn't have much time for a social life—or dating, for that matter. Her last relationship cost her so

much and ended so painfully. What she really wishes she could have is a torrid love affair with no strings attached—with someone like Oliver, the sinfully gorgeous struggling writer who regularly comes to her cafe at night to work on his stories. So when Oliver accidentally leaves behind his work in the cafe one night Rachel can't resist the temptation to read the story, and learns

he's been secretly writing an erotic novel. Aroused by his inventive prose, Rachel offers to help Oliver with his story by acting it out with him. But what happens when she discovers that it was she who inspired Oliver's stimulating story? *Seriously Sexy* 2 Swift Press In these enlightening and eye-opening conversations, the renowned spiritual mentor, Sister BK Shivani reveals how to

create a life of joy, contentment and bliss, because we all have the choice and the power to do so. According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder

why we are not happy now. Happiness is only possible when we are able to accept everyone as they are, at every moment, in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift from asking to sharing; from

This second volume of the Corpus Topographicum Indiae Antiquae is the result of an analysis of the available archaeological sources, the identification of problematic place names, the location of c. 10300 archaeological sites, and their indication on a map. The work constitutes, therefore, a general synthesis of the actual knowledge in the field of Indian archaeology and can serve

as a basis for further research. The atlas, and the indices, which mention old and modern variant forms of the place names, form an indispensable research and work tool for various branches of Asiatic studies, in particular those dealing with the Indian subcontinent and South Asia: archaeology, numismatics, art history, historical geography, toponomy, philology.

Ain-ul-Faqr (the soul of Faqr) is the most popular book by the eminent Saint of Sub-continent Hazrat Sakhi Sultan Bahoo. This subtle

book contains spiritual lessons for all the common and special seekers of Allah whether they are at initial, middle or final level. It invites every Muslim towards the closeness, vision and union of Allah, hence achieve the main objective of life and religion. Sultan Bahoo beautifully uses verses of Quran, Hadiths and sayings of other Saints to endorse his words, which makes the seekers of

Truth, believe and follow his sayings spontaneously. The marvel of this miraculous book is that is spiritually elevates its readers just by reading it with faith and true devotion. It diverts one's attention from the wishes of transitory wealth and honour of this mortal world towards the treasures and honour of closeness of Allah in the hereafter. Sultan Bahoo also suggests the keys to this treasure

and honour
i.e. the zikr of
Ism-e-Allah
Zaat and
guidance of
Murshid Kamil.
