Set your creativity free with a writing guide that “wakes you up like a cross between morning coffee and a friendly Zen master” (Jack Kornfield). Natalie Goldberg, author of the bestselling *Writing Down the Bones*, shares her invaluable insight into writing as a source of creative power, and the daily ins and outs of the writer's task. Topics include balancing mundane responsibilities with a commitment to writing; knowing when to take risks as a writer and a human being; coming to terms with success, failure, and loss; and learning self-acceptance—both in life and art. Thought-provoking and practical, *Wild Mind* provides an abundance of suggestions for keeping the writing life vital and active, and includes more than thirty provocative “try this” exercises as jump-starters to get your pen moving. This ebook features an illustrated biography of Natalie Goldberg, including rare photos and never-before-seen documents from the author's personal collection.

Carnivores are the focus of intense attention and resources in conservation biology. It is often argued that, because carnivores are at the top of the food chain, if they are protected, then other taxa will also be afforded adequate protection. Carnivores are also charismatic and compete with humans for dwindling space and environmental resources. In the past 10 years, theoretical and empirical studies on carnivores have developed very quickly. This volume reviews and summarises the current state of the field, describes limitations and opportunities for carnivore conservation, and offers a conceptual framework for future research and applied management. As such it will be of interest to students and researchers of conservation biology, mammalogy, animal behaviour, ecology and evolution.

The Writing Life OUP India

An extraordinary epic, brilliantly-imagined, new novel from a world-class writer and author of *The Name of the Rose*. Discover the Middle Ages with Baudolino - a wondrous, dazzling, beguiling tale of history, myth and invention. The history of Albania includes some memorable characters - from the legendary Albanian hero Scanderbeg to the glamorous Queen Geraldine. Robert Elsie's extensively researched *Biographical Dictionary of Albania History* provides fascinating and comprehensible information on over 700 Albanian and Albania-related historical figures, from the Ancient World via the centuries of Ottoman rule, the struggle for independence and the years of communism right up to the end of the twentieth century. Taking an encyclopaedic approach, this unique book considers the colourful cast of characters that influenced Albania's history and development - be they native Albanians or visitors from overseas. All notable historical and political figures - from the Kings of Illyria to Enver Hoxha -

are included as well as leading figures of culture and the arts - from Marin Barleti to Faik Konitza. Visitors who had intimate ties with Albania - including Lord Byron, Benjamin Disraeli, Edward Lear, Aubrey Herbert, Edith Durham and Rose Wilder Lane - are also studied. In addition to these well-known figures, the entries also comprise individuals as diverse as an eighteenth-century Montenegrin impostor, a German circus acrobat and the Austrian mistress of King Zog. As the most reliable and comprehensive source of information about Albanian history available in English, this book will be essential reading for anyone interested in the history of this pivotal Balkan state. Robert Elsie shows how this important group of individuals influenced Albanian history and helped to shape the country as it is today.

The Longman Anthology of Old English, Old Icelandic and Anglo-Norman Literatures provides a scholarly and accessible introduction to the literature which was the inspiration for many of the heroes of modern popular culture, from *The Lord of the Rings* to *The Chronicles of Narnia*, and which set the foundations of the English language and its literature as we know it today. Edited, translated and annotated by the editors of *Beowulf and Other Stories*, the anthology introduces readers to the rich and varied literature of Britain, Scandinavia and France of the period in and around the Viking Age. Ranging from the Old English epic *Beowulf* through to the Anglo-Norman texts which heralded the transition Middle English, thematically organised chapters present elegies, eulogies, laments and followed by material on the Viking Wars in the Anglo-Saxon Chronicle, Vikings gods and Icelandic sagas, and a final chapter on early chivalry introduces the new themes and forms which led to Middle English literature, including Arthurian Romances and Chaucer's *Canterbury Tales*. Laying out in parallel text format selections from the most important Old English, Old Icelandic and Anglo-Norman works, this anthology presents translated and annotated texts with useful bibliographic references, prefaced by a headnote providing useful background and explanation.

From Ismail Kadare, winner of the inaugural Man Booker International Prize - a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie - the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The *Siege* tells the enthralling story of the weeks and months that follow - of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me,"

the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Discovering Dolphins Firefly Books

"A splendid book for journalists (new or old), fiction writers, essayists, and critics. But it could also be of great use to the intelligent common reader, the man or woman who wonders why it's impossible to finish reading certain stories and why others carry the reader in a vivid rush to the end." —Pete Hamill, author of *A Drinking Life* In the spirit of Strunk and White's classic *The Elements of Style*,

comes *The Elements of Story*, by Francis Flaherty, longtime story editor at *The New York Times*. A brilliant blend of memoir and how-to, *The Elements of Story* offers more than 50 principles that emphasize storytelling aspects rather than simply the mechanics of writing—a relentlessly entertaining, totally accessible writing guide for the novice and the professional alike.

A Year of Writing Dangerously Routledge

Released for the first time in the English language, and marking the centennial of Albania's independence, *Serbs and Albanians* delivers an at once refreshing and comprehensive insight into the cultural composition of Southeast Europe. A wider audience can now appreciate the work of Milan Ufflay, a controversial figure of his time whose assassination was denounced by leading intellectuals, Albert Einstein and Heinrich Mann. With a measured and often poetic voice, Ufflay takes us on a journey through the Middle Ages as it unfolded on a land where opposing cultures were distilled and interwoven, dynasts and whole cities upturned and reborn.
