NAVARRO PRATT

Schriftenreihe der Kommission für Ostdeutsche Volkskunde in der Deutschen Gesellschaft für Volkskunde e.V. BWV Verlag

On 16 October 1946 Joachim von Ribbentrop, Hitler's wartime Foreign Minister, was executed at Nuremberg, convicted on four counts including deliberately planning a war of aggression and war crimes. In this first English Language edition of his memoirs, Rudolf von Ribbentrop frankly describes his relationship with his father when he was the German Ambassador in London and during the war years. Von Ribbentrop was an often isolated figure among the Nazi elite. In his final report from London von Ribbentrop informed Hitler that he was convinced that Great Britain would fight for its position in the world. He went on to play a key role forging the short-lived pact with Stalin's Soviet Union. Far from being uncritical, the author, now in his 90s, sets out to paint an objective picture of his father's role. His unique position throws fascinating light on the unfolding dramatic events leading up to, and then the execution of, the Second World war. While the author briefly describes his personal experiences including his war service with the SS, it is the insight this work provides into top level decision making at the heart of the Third Reich that will appeal most to both historians and laymen.

Christmas Baking Barron's Educational Series

Maximiliane von Quindt marries a Nazi officer and struggles to keep her family together in the chaos during World War II in Germany

Börsenblatt für den Deutschen Buchhandel Kailash Verlag

Eine Kochschule für mehr Genuss, Leidenschaft und Entschleunigung im Leben Wir alle lieben gutes Essen, die meisten von uns können aber selbst nicht richtig kochen. Oft fehlen die Grundlagen und Küchengeheimnisse, die sich unsere Großmütter noch untereinander erzählt haben. Die Journalistin Okka Rohd hat Menschen getroffen, die mit Leidenschaft kochen. Von ihnen lässt sie sich Tricks und Kniffe beibringen - immer auf der Suche nach der Essenz: Wie macht ein Österreicher Wiener Schnitzel? Was ist das Geheimnis einer neapolitanischen Pizza? Was braucht ein Mittagessen, damit es glücklich macht? Und wie geht richtig guter Käsekuchen? Mit viel Wärme und Nähe erzählt Okka Rohd von der Art des Zubereitens, von Zutaten und Aromen. Dabei geht es um das genaue Hinschmecken und vor allem um die innere Haltung beim Kochen.

Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen Pickle Partners Publishing

Includes the Aerial Warfare In Europe During World War II illustrations pack with over 200 maps, plans, and photos. Hanna Reitsch is unusual in being a feminine woman who was yet the equal of men in a dangerous male profession — test-piloting new

military aircraft. Her love of flying from childhood on, along with her superior intelligence, determination, and ability to withstand tremendous stresses, gave her the edge that allowed her to rise to the top of the aviation world. Hanna Reitsch offered her gifts to the German nation in the same way that Adolf Hitler and many others did — with a complete giving of herself and her abilities, holding nothing back. Although she lived to 1979, she never renounced her participation with the National Socialist government or criticized Hitler, even under pressure to do so. Hanna's life story is an amazing one that sounds almost unbelievable in its drama and acts of heroism. She never married or had children; instead she occupied herself with the two burning loves of her life — flying and the salvation of her beloved Fatherland in its time of need.
