comes a new  
novel in her  
Blood and Ash  
series... Is  
Love Stronger  
Than  
Vengeance? A  
Betrayal...  
Everything  
Poppy has  
ever believed  
in is a lie,  
including the  
man she was  
falling in love  
with. Thrust  
among those  
who see her

as a symbol of  
a monstrous  
kingdom, she  
barely knows  
who she is  
without the  
veil of the  
Maiden. But  
what she does  
know is that  
nothing is as  
dangerous to  
her as him.

The Dark One.  
The Prince of  
Atlantia. He  
wants her to  
fight him, and  
that's one  
order she's  
more than  
happy to  
obey. He may  
have taken  
her, but he  
will never  
have her. A  
Choice....  
Casteel  
Da'Neer is  
known by  
many names

and many  
faces. His lies  
are as  
seductive as  
his touch. His  
truths as  
sensual as his  
bite. Poppy  
knows better  
than to trust  
him. He needs  
her alive,  
healthy, and  
whole to  
achieve his  
goals. But he's  
the only way  
for her to get  
what she  
wants—to find  
her brother  
Ian and see  
for herself if  
he has  
become a  
soulless  
Ascended.  
Working with  
Casteel  
instead of  
against him  
presents its

own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is

prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel

pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

University of Toronto Press  
This debate was brought about after a

correspondence covering nearly eight months of time between Mr. Russell and myself. In June, 1907, Mr. Russell wrote to me that if I would find a "fair, honorable, straightforward servant of truth," and a representative man and properly indorsed, he would meet him in public debate. I immediately took the matter up with M. C. Kurfees and R. H. Boll, of Louisville, Ky., and they made selection of L.

S. White, of the Pearl and Bryan Streets Church of Christ, Dallas, Texas. In October, Mr. White was presented to Mr. Russell, by correspondence, as the one selected to meet him. The two then entered into correspondence, and after two months decided on the propositions discussed in this book. Mr. White wanted a much longer time given to each proposition. He also requested that the disputants

be governed by the rules laid down in "Hedge's Logic," and that each debater be confined to the proposition discussed. To both of these propositions, Mr. Russell declined to agree. Mr. White came with the indorsements of the best brethren throughout the South and South-west. He has spent fifteen years in the evangelistic field. He has been the champion of seventeen

"The Golden Age Journal (now Awake magazine) of July 30, 1924, p. 702: "ANGELS AND WOMEN" is the title of a book just off the press. It is a reproduction and revision of

the novel, "Seola" which was written in 1878, and which deals with conditions prior to the flood. Pastor Russell read this book with keen interest, and requested some of his friends to read it because of its striking harmony with the Scriptural account of the sons of God described in the sixth chapter of Genesis. Those sons of God became evil, and debauched the human family prior to, and up to, the

time of the great deluge. We call attention to this book because we believe it will be of interest to Bible Students, who are familiar with the machinations of the devil and the demons and the influence exercised by them prior to the flood and also now in this evil day. The book throws light on the subject and is believed, will aid those who carefully consider it to avoid the baneful

effects of spiritism, now so prevalent in the world. The book is revised and published by a personal friend of Pastor Russell, and one who was close to him in his work. It is published by the A. B. This is one in a long list of unfulfilled Jehovah's

Today, people increasingly rely upon visuals to help them understand new and difficult concepts. The

rise and stunning popularity of the Internet infographic has given us a new way in which to convey data, concepts and ideas. But the visual portrayal of truth is not a novel idea. Indeed, God himself used visuals to teach truth to his people. The tabernacle of the Old Testament was a visual representation of man's distance from God and God's condescension to his people. Each part of

the tabernacle was meant to display something of man's treason against God and God's kind response. Likewise, the sacraments of the New Testament are visual representations of man's sin and God's response. Even the cross was both reality and a visual demonstration. As teachers and lovers of sound theology, Challies and Byers have a deep desire to convey the concepts and principles of

systematic theology in a fresh, beautiful and informative way. The doctrine of eternal torment of all mankind except the few elect became so abhorrent to him that at the age of seventeen he was a skeptic. He said, "A God that would use his power to create human beings whom He foreknew and predestinated should be eternally tormented, could be neither wise, just nor loving; his standard would be lower than that of many

men." He continued to believe, however, in the existence of God, but was not willing to accept the commonly understood teachings as God's revelation of himself to man. He turned his attention to the investigation of heathen religions, only to find all of these unsatisfactory.
