The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so

send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

NATIONAL BESTSELLER • PULITZER PRIZE WINNER • The bestselling author of *Nobody's Fool* and *Straight Man* delves deep into the blue-collar heart of America

in a work that overflows with hilarity, heartache, and grace. "Rich, humorous ... Mr. Russo's most seductive book thus far." —The New York Times
Welcome to Empire Falls, a blue-collar town full of abandoned mills whose citizens surround themselves with the comforts and feuds provided by lifelong friends and neighbors and who find humor and hope in the most unlikely places, in this Pulitzer Prize-winning novel by Richard Russo. Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs

all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town—and seems to believe that “everything” includes Miles himself. *With this Pledge* Simon and Schuster the albion gallery, london presents a large show of ink on canvas drawings made by joep van lieshout, the founder of atelier van lieshout, along with several large models, made by atelier van lieshout. the show is all about life and work in slavecity, a dystopian metropolis. joep van lieshout has been developing this project since 2005.together with the exhibition a publication of new and recent drawings of joep van lieshout will be presented. it is the first publication of drawings of joep van lieshout (19 color and 64 b&w illustrations). the book features a conversation between joep van lieshout and winy maas, architect and one of the founders of architect office MVRDV, based in rotterdam.

Ken Follett's magnificent historical epic begins as five interrelated families move

through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

To what extent do minority writers feel represented by the literary canon of a nation and its body of "great works"? To what extent do they adhere to, or contest,

the supposedly universal values conveyed through those texts and how do they situate their own works within the national tradition? Building on Edward W. Said's contrapuntal readings and Gayatri Chakravorty Spivak's reflections on the voice of the subaltern, this monograph examines the ways in which Rafik Schami, Emine Sevgi Özdamar, and Feridun Zaimoglu have re-read, challenged, and adapted the German canon. Similar to other writers in postcolonial contexts, their work on the canon entails an inquiry into history and a negotiation of their relation to the texts and representations that define the "host" nation. Through close analyses of the works of these non-native German authors, the book investigates the intersection between politics, ethics, and aesthetics in their work, focusing on the appropriation and re-evaluation of cultural legacies in German-language literature. Opening up a rich critical dialogue with scholars of German Studies and Postcolonial Theory, Christine Meyer provides a fresh perspective on German-language minority literature since the reunification.

Steel Magnolias meets The Help in Beth Hoffman's New York Times bestselling Southern debut novel, *Saving CeeCee*
Honeycutt Twelve-year-old CeeCee Honeycutt is in trouble. For years, she has been the caretaker of her mother, Camille, the town's tiara-wearing, lipstick-smear-

laughingstock, a woman who is trapped in her long-ago moment of glory as the 1951 Vidalia Onion Queen of Georgia. When tragedy strikes, Tootie Caldwell, CeeCee's long-lost great-aunt, comes to the rescue and whisks her away to Savannah. There, CeeCee is catapulted into a perfumed world of prosperity and Southern eccentricity—one that appears to be run entirely by strong, wacky women. From the exotic Miz Thelma Rae Goodpepper, who bathes in her backyard bathtub and uses garden slugs as her secret weapons; to Tootie's all-knowing housekeeper, Oletta Jones; to Violene Hobbs, who entertains a local police officer in her canary-yellow peignoir, the women of Gaston Street keep CeeCee entertained and enthralled for an entire summer. A timeless coming of age novel set in the 1960s, *Saving CeeCee Honeycutt* explores the indomitable strengths of female friendship, and charts the journey of an unforgettable girl who loses one mother, but finds many others in the storybook city of Savannah. As Kristin Hannah, author of *Fly Away*, says, Beth Hoffman's sparkling debut is "packed full of Southern charm, strong women, wacky humor, and good

old-fashioned heart."

Among the Gods (Chronicles of the Kings Book #5) BASTEI LÜBBE
 Winner of the International Labor History Award Long before the American Revolution and the Declaration of the Rights of Man, a motley crew of sailors, slaves, pirates, laborers, market women, and indentured servants had ideas about freedom and equality that would forever change history. The Many Headed-Hydra recounts their stories in a sweeping history of the role of the dispossessed in the making of the modern world. When an unprecedented expansion of trade and colonization in the early seventeenth century launched the first global economy, a vast, diverse, and landless workforce was born. These workers crossed national, ethnic, and racial boundaries, as they circulated around the Atlantic world on trade ships and slave ships, from England to Virginia, from Africa to Barbados, and from the Americas back to Europe.

Marshaling an impressive range of original research from archives in the Americas and Europe, the authors show how ordinary working people led dozens of rebellions on both sides of the North Atlantic. The rulers of the day called the multiethnic rebels a 'hydra' and brutally suppressed their risings, yet some of their ideas fueled the age of revolution. Others, hidden from history and recovered here, have much to teach us about our common humanity.

The Many-headed Hydra Bethany House
 The story of the enslaved West Indian women in the struggle for freedom The forgotten history of women slaves and their struggle for liberation. Enslaved West Indian women had few opportunities to record their stories for posterity. In this riveting work of historical reclamation, Stella Dadzie recovers the lives of women who played a vital role in developing a culture of slave resistance across the Caribbean. Dadzie follows a savage trail from Elmina Castle in Ghana and the horrors of the Middle Passage, as slaves were transported across the Atlantic, to the sugar plantations of Jamaica and beyond. She reveals women who were

central to slave rebellions and liberation. There are African queens, such as Amina, who led a 20,000-strong army. There is Mary Prince, sold at twelve years old, never to see her sisters or mother again. Asante Nanny the Maroon, the legendary obeah sorceress, who guided the rebel forces in the Blue Mountains during the First Maroon War. Whether responding to the horrendous conditions of plantation life, the sadistic vagaries of their captors or the "peculiar burdens of their sex," their collective sanity relied on a highly subversive adaptation of the values and cultures they smuggled from their lost homes. By sustaining or adapting remembered cultural practices, they ensured that the lives of chattel slaves retained both meaning and purpose. A Kick in the Belly makes clear that subtle acts of insubordination and conscious acts of rebellion came to undermine the very fabric of West Indian slavery.

Until We Reach Home Vintage Amerika, 1859: Als die junge Lehrerin Annie Braun auf der Südstaaten-Plantage Birch Island ihren Dienst antritt, trifft sie auf einen ihr völlig unbekanntem luxuriösen und feudalen Lebensstil. Dieser

und der Umgang mit den Sklaven, die für die Familie arbeiten, sind für die Nordstaatlerin ungewohnt und befremdlich. Der Start wird ihr nicht leicht gemacht. Aber sie bleibt sich selbst treu und scheut sich nicht, ihre Meinung zu sagen. Das bringt nicht nur Konflikte mit sich, sondern weckt auch das Interesse des Sohnes des Plantagenbesitzers. Während Annie im Süden ihren Weg geht, versucht ihre Schwester Sophia im Mittleren Westen Farm und Familie vor dem drohenden Bürgerkrieg zu schützen und ist ständiger Gefahr ausgesetzt. Auch der Cousin der beiden, Marcus Tanner, gerät zwischen die Fronten: Er ist in die Südstaatlerin Susanne Belle Jackson verliebt. Die ist allerdings schon einem Mann ihres Standes versprochen. Doch das hindert Marcus nicht daran, um sie zu kämpfen. "Das Leuchten der Sehnsucht" ist der erste Band einer emotionalen, mehrbändigen Familiensaga rund um den amerikanischen Bürgerkrieg, in der sich abgrundtiefer Hass, ein gnadenloser Krieg und unmenschliche Ungerechtigkeiten mit der großen Liebe, tiefgehender Freundschaft und den kleinen Freuden des Lebens die Hand reichen. Ein Pageturner,

der einen nicht mehr loslässt. eBooks bei beHEARTBEAT - Herzklopfen garantiert. The Tanglewoods' Secret Piper Rayne, Inc. LONGLISTED FOR THE MAN BOOKER PRIZE In this "inventive, beautiful, and deceptively morally complex novel" (The Miami Herald), a prideful electrician in 1920s rural Alabama struggles to overcome past sins, find peace, and rescue his marriage after being sent to prison for manslaughter. Roscoe T Martin set his sights on a new type of power spreading at the start of the twentieth century: electricity. It became his training, his life's work. But when his wife, Marie, inherits her father's failing farm, Roscoe has to give up his livelihood, with great cost to his sense of self, his marriage, and his family. Realizing he might lose them all if he doesn't do something, he begins to siphon energy from the state, ushering in a period of bounty and happiness. Even the love of Marie and their child seem back within Roscoe's grasp. Then a young man working for the state power company stumbles on Roscoe's illegal lines and is electrocuted, and everything changes: Roscoe is arrested; the farm once more starts to deteriorate; and Marie abandons

her husband, leaving him to face his twenty-year sentence alone. As an unmoored Roscoe carves out a place at Kilby Prison, he is forced to ask himself once more if his work is just that, or if the price of his crimes—for him and his family—is greater than he ever let himself believe. *Work Like Any Other* is “a consummately well-written, deeply affecting, thought-provoking American historical novel of hard labor, broken dreams, moral dilemmas, violence, racism, and the intricacies of marriage, parenthood, and friendship. Hope is found in reading, compassion, forgiveness, and good, honest work, whatever form it takes. Virginia Reeves’s gripping, dynamically plotted, and profound novel will resonate on different frequencies for men and women and spark soul-searching and heated discussion” (Booklist, starred review).
