The author known as an Italian James Ellroy delivers “a raw, extremely dark portrait of a crime and its aftermath” (The Washington Post). During a bungled robbery attempt, Raffaello Beggiano takes a young woman and her eight-year-old child hostage. He later murders both in cold blood. Beggiano is arrested, tried, and

sentenced to life. Undone by his loss, the victims’ father and husband, Silvano Contin, plunges into an ever-deepening abyss until the day, fifteen years later, when the murderer seeks his pardon. The wounded Silvano turns predator as he ruthlessly plots his revenge. A riveting story of guilt, revenge, and justice, Massimo Carlotto’s *Death’s Dark Abyss* tells the tale of two men and the savage crime that irreversibly binds them. Two dramatic stories meet in this

stylish, passionate indictment of a legal system that seems powerless both to compensate victims and to rehabilitate perpetrators. “[A] remarkable study of corruption and redemption in a world where revenge is best served ice-cold.” —Kirkus Reviews (starred review) “The master of Mediterranean noir has fashioned a dark, twisted tale of retribution.” —Library Journal (starred review) “[A] subtle and disturbing tale of the

effects of violence on its survivors . . . The author manages to make Contin's descent into hell plausible and heartbreaking, and devises an ingenious and even touching resolution." —Publishers Weekly

Sexy wolf shapeshifters unleash the wild side of love in this pair of paranormal romance novellas by New York Times bestselling authors. Like a Wolf with a Bone by Shelly Laurenston Quiet

little Darla Lewis couldn't be happier when she's kidnapped by the most feared member of the South's rowdiest pack. A girl getstired of being overprotected by her own shifter family, and there's nothing like a big bad wolf to trigger her wildest instincts. . . Wed or Dead by Cynthia Eden Gage Ryder knew his human bride had a wild side. But spending their honeymoon running from isn't the kind of fun he was imagining. Now Gage will have do whatever it takes to discover Kayla's

dangerous secrets—and keep from being captured by his own seductive game . . .

Lady Anne and the Howl in the Dark Melissa Haag Fans of the Lady Julia Grey Mysteries will love these Georgian historical mysteries. After receiving a distressing letter from a friend, Lady Anne Addison wastes no time in traveling to Yorkshire to offer whatever help she can. She has no idea what she'll find there, but she certainly wasn't expecting to be met by tales of a werewolf terrorizing the

area—nor the dead body she discovers upon arriving. Driven by curiosity and a keen intelligence, Lady Anne dismisses the notion of such a beast, but she’s nonetheless drawn into the mysteries by the secrecy surrounding her friend and the infuriating yet enticing Lord Darkefell. With a murderer on the loose and the supposed werewolf ravaging livestock and terrifying the locals, Lady Anne puts her reservations aside and joins forces with the

seductive Darkefell to get to the bottom of things. And though his nearness is a tempting distraction, Lady Anne manages to uncover one clue after another, unraveling the mysteries and drawing ever closer to the killer, even while her true feelings for the enigmatic marquess elude her . . . This book was originally published under the name Donna Lea Simpson. Praise for the Lady Anne Addison Mysteries: “If you are looking for a historical mystery with romance, suspense, and a

suggestion of paranormal, then read Lady Anne and the Howl in the Dark.” —Fallen Angel Reviews “[Hamilton] excels at imbuing her realistic characters with subtle depths . . .” —American Library Association “[The author] has set up a well-drawn Gothic horror setting here, so the atmosphere is fantastic, what with it being chilling, mysterious, and menacing all at once.” —Mrs. Giggles [Yesterday's Roses Shattered Glass](#) Publishing LLC

Don't hide, and never run. I was fine existing on copious amounts of chocolate. But, thanks to Fenris's less than helpful intervention, Mom's building a nightclub named "Man-beef Buffet." My hell is only beginning. Hounded by the Academy's guidance counselor, smothered by her mother, and harassed by a perverted brownie, Eliana's patience for well-meaning help is thinning. She has more important matters on her plate. Like, dealing with the repercussions of a

backfired spell while avoiding the local, hot werewolf. When something starts stalking her, Eliana decides she'd done playing by everyone else's rules. She might be afraid to feed, but she's far from weak. The beast pursuing her will soon feel what it's like when the hunter becomes the hunted. Warning: Contains a starving succubus with violent reactions to sex toys, a loving mom who supports nudism, and a brownie with fertility issues. Recommended for mature

teen readers and up. *Women Who Wear The Breeches* Addison Moore Clay is a man of few human talents. As a wolf, he hunts well and can fight off a grizzly twice his size, but has no aspirations. The idea of a Mate isn't something he has ever seriously entertained. Dreamed about, maybe, but he knows the chances are nearly non-existent. Then he meets Gabby, a human girl. She hates him at first sight, yet he can't let her go. Who he was is no longer important. Now,

who he needs to become to win her over is the only thing that matters.

Piper thinks Owen Vincent is a tool. Once they finish up with their internship she never wants to see him again. From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore ...Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!" Piper James' first year at Whitney Briggs is starting off great, new friends, a

potential sorority, and plenty of guys to choose from. Once she secures a spot in Alpha Chi, she'll have the greatest freshman year on record. But it just takes one look at the Alpha Chi "hit list" of things she needs to do to get in and she know there's trouble—and trouble's name is Owen Vincent. Taming a player sounds impossible. Owen is the only player she knows and he certainly fits the bill, cocky, too many notches to count on his bedpost, and an aversion to relationships.

Making Owen believe she wants him is pretty low, even if this entire fling is just a means to an end. But now she can't stop thinking about him. Yeah, he thinks he's God's gift to women, but now a part of her is kind of starting to agree. Girls are still dripping all over him like honey. Piper thinks there's no way he'd be interested in a commitment with her. Maybe Alpha Chi isn't what she wants. Maybe it's Owen? It's a brand new year at Whitney Briggs and things are

about to get wild.

The voice traverses Beckett's work in its entirety, defining its space and its structure. Emanating from an indeterminate source situated outside the narrators and characters, while permeating the very words they utter, it proves to be incessant. It can alternatively be violently intrusive, or embody a calming presence. Literary creation will be charged with transforming the mortification it inflicts into a vivifying

relationship to language. In the exploration undertaken here, Lacanian psychoanalysis offers the means to approach the voice's multiple and fundamentally paradoxical facets with regards to language that founds the subject's vital relation to existence. Far from seeking to impose a rigid and purely abstract framework, this study aims to highlight the singularity and complexity of Beckett's work, and to outline a potentially vast field of investigation.

Delicious and dangerous, this collection of fairy tales is a glorious tribute to women with 'do what thou wilt' bravado - those who dare to wear the breeches. They shed their female garb (and modesty) and don the male's role to save king, country, kin, and their own lives or for revenge, love, power and a good time. Shahrukh Husain's tales from around the world - riddles, battle triumphs, bawdy and moving stories - prove

that no heroine, or hero, is as exciting and daring as the irresistible cross-dresser of fairy tales.

Power isn't everything. But in Uttira, it's all that matters. The truth is harder to face than I ever imagined. I've made too many mistakes to count. So, no more failures. No more running. It's time to embrace what I am.

Eliana thought she had everything under control. However, she discovered just how wrong she was. She's been feeding from Fenris in her sleep, and now he's bound to her in ways she never wanted. She knows she needs to let him go; yet with him, she could have the one thing she's secretly wanted. A mate for life. To make matters worse, Adira pushes her to enjoy Fenris while Raiden is doing everything possible to keep the two apart. Including bringing back the one person who would

willingly kill Eliana to have Fenris for herself. Tired of it all, Eliana does what she's been fighting not to do for so long: She embraces what she is. It's time for the people in power to feel what it's like to be a puppet. And when she's done, the world will be on its knees. Warning: Contains an affection-starved werewolf, a brownie fond of public exhibition, and a succubus on the edge. Mace Llewellyn. Brendon Shaw. Two tall, gorgeous, sexy alpha heroes who are 100% male--with a little something extra. Lion-shifters, to be exact, who can unleash every woman's animal side and still look good--make that spectacular--in a suit. .

.and even better out of it. . . NYPD cop Desiree "Dez" MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. It isn't just those too-sexy gold eyes, or the six-four, built-like-a-Navy Seal body. It's something in the way he sniffs her neck and purrs, making her entire body tingle. . . Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl--even one who runs with a Pack-

-can redefine herself. First order of business: find a mate, settle down, and stop using men for sex. Even big, gorgeous, lion shifter men like Brendon Shaw. But she needn't worry, because now that Brendon's set his sights on her, the predator in him is ready to pounce and never let go. . . He Fell For Her Nicole St. James was a nice woman. An innocent, pretty, twenty something schoolteacher with her life ahead of her. But as the angel of death, it's Keenan's job to take that

life away. So when a vampire attacks Nicole, Keenan is not supposed to snap and take out the vampire instead. It cost him his wings--but she's worth it. Except when Keenan catches up to his pretty schoolteacher, she's not so innocent anymore. Hot red lipstick, tight black shorts and long white fangs--she's ready to kick the asses of anyone who helped turn her into a damn bloodsucker. Unless that ass is unusually shapely and attached to a certain fallen angel. Even with all

of heaven and half of hell after them, someone will have to teach Keenan about the fun kinds of sin. . .
