**Insurgent** Createspace Independent Publishing Platform

**WARNING:** This is not the actual book Divergent by Veronica Roth. Do not buy this reading Sidekick if you are looking for full copies of these great books.As you read the Divergent series, the chapter analyses in this unofficial companion piece are especially useful for recalling the action in previous novels. The Divergent series has many interesting characters that leave and reappear, thanks to love interests and biological relationships. The trilogy is written from a first-person perspective, so what we know of these characters is limited at times. Assistance in tracing their background and importance as they make multiple appearances throughout the three novels is provided in this comprehensive accompaniment.A dystopian trilogy, the Divergent series begins when Tris and "Four" (Tobias) turn 16. They do not fit into only one of five possible faction choices, so they are labeled Divergent. This labeling is the initial conflict in the trilogy. The many additional conflicts

plus themes of sacrifice, freedom, individuality, and guilt are woven throughout the three novels, and they can all be traced with the help of this sidekick. In Divergent, Tris chooses to join the Dauntless faction and manages to not only survive, but also excel during harsh Dauntless training. She is caught up in a faction battle, and the second novel in the series, Insurgent, follows her involvement in the struggle, as she and her friends become targets due to their Dauntless natures.Allegiant provides answers about what exists outside the walled city, while introducing a final battle. Tris and her friends discover the truth about the factions' purposes and intents, achieving freedom in the process.

But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous. Supports the Common Core State Standards

**Insurgent** Katherine Tegen Books

Readers first encountered Tobias Eaton as Four in Divergent. His voice is an integral part of Allegiant. Readers will find more of this charismatic character's backstory told from his own perspective in Four: A Divergent Collection. When read together, these long narrative pieces illuminate the defining moments in Tobias Eaton's life. The first three pieces in this volume - The Transfer, The Initiate, and The Son - follow Tobias's transfer from Abnegation to Dauntless, his Dauntless initiation, and the first clues that a foul plan is brewing in the leadership of two factions. The fourth story, The Traitor, runs parallel with the events of Divergent, giving readers a glimpse into the decisions of loyalty - and love - that Tobias makes in the weeks after he meets Tris Prior. Three extra exclusive scenes included!
